# uitleg

Rol met twee dobbelstenen en bedek het plaatje met dezelfde hoeveelheid op de kaart.

Op de kaart worden de getallen 1 t/m 12 weergegeven, dit kan door het aantal vogels, vlinders, bloemblaadjes, eieren, bijen of de stippen op het lieveheersbeestje.

Aan de kinderen om ervoor te zorgen dat ze alles op hun kaart kunnen bedekken. Er zijn in totaal 6 verschillende kaarten.
