de narwal

Vitleg

Gebruik deze kaarten als aanvulling voor in de taalhoek tijdens het thema 'Noord- en zuidpool' en laat de kinderen de woorden nastempelen, naschrijven of namaken met de letters uit de letterflat.

De woordkaarten zijn zowel met als zonder het lidwoord.

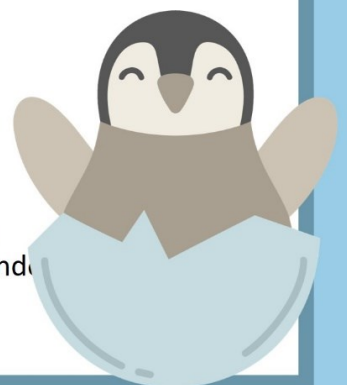

De kaarten zijn 12 bij 8 cm. Mocht je het kleiner willen hebben, dan adviseer ik je om bij de printerinstellingen de percentage van de afdrukbaarheid aan te passen naar bijvoorbeeld 85 procent.

Er zijn in totaal 20 woordkaarten.
